Training \$1.00

Feb 12, 2013 Minutes: Approved

Old Business:

Scholarship Update: Kathy Charette will no longer be on the committee, also we have received several donations, (United Lens \$250, Sbge Savings Bank \$250, Daniel T. Morrill \$75, Cormier Jeweler's \$100, Sbge Rehab \$200). We have sent thank you notes for all of these donations. We mailed 384 requests; we have received 4 mailings back.

CERT Team updates: We have 27 currently taking the class, the towns will contact the members who registered but did not show up. They can still

take the class. They have only missed one class. We have used the CERT grant to purchase our own Alpha Card system, when it comes in we will have to decide what we want on the cards. They also need to have an expiration date on them. It was suggested because we have to do CORI's on current members every two years, we should set that as the renewal date. Also all inventory has been completed at the armory, also Terri has received the numbers that Oxford and Charlton prior CERT's need to complete their bags. Also we have to replace the equipment we borrowed from Charlton's master kits. Terri will get each town the items and quantity of equipment that is needed.

It was suggested that we have our CERT members participate in the Oxford parade.

EMPG: We have paid our annual PO Box fee \$54; also we have run our Legal advertisement \$90. We have also ordered replacement envelopes that we used for our mailing. We also purchased equipment needed for the projector and office supplies. Kathy Shields has suggested buying dog leashes imprinted with Tri-EPIC for public handouts. She will get us the costs to purchase. Terri will restock all of our supplies; we have multiple events coming up in the other communities so we will use the supplies up.

Sheriff Reverse 911: FYI to all this system is no longer in service.

New Business:

Central Mass Regional Planning Commission:

Motion to adjourn by Carlton and seconded.

Meeting adjourned at 09:36

Next Meeting, Tuesday, April 9, 2013

Harrington Hospital

Southbridge, MA
