Kevin Mercier reported that in conjunction with the Red Cross they will be hosting a drill on June 11. The basis of the drill is a hurricane like event.

+ Upcoming Events:

We have several public events coming up, (Sbge Fest, Grand Masters Day, and October Fest). We need to have more members step up to man these events. Please let Terri know if you are available for any of them and the times you can assist.

+ FM Global

Ralph would like to reapply for this grant as it is available on an annual basis. He will look into it and see what is available to us. Perhaps we can look at getting electronically equipment for the EOC and for use in our other communities.

+MEMA Grant Award

We did receive an award of \$3232.32 for administrative and public education. Terri will look into what we can purchase and bring some quotes back to next months meeting.

+Shelter Training

Roland did hold training at the armory for volunteers to be made familiar with the items and supplies we have in stock for use with shelter and medical emergencies.
