Harrington Hospital:	Don Rivers		
	Wanda O'Connor		

Meeting called to order: 08:35

June 14, 2016 Minutes to follow:

Treasurer's Report; Motion and second, Approved by all

Introductions: Kerry Clark- EMD Coordinator for Town of Sturbridge

Old Business:

CERT Grant: Charlton received the grant this year, we put in for the \$1500 for the CERT training with the MDU. We also put in \$500 for the CERT classroom trainings.

HMH Drill w/MDU Webster: Drill is still planned for 10/1/16, we will be having a planning meeting on 8/16/16 at Charlton Fire. Concerns as to why the cost for training the CERT members is so high (\$1500.00). Terri and Chief Ford will address with the DFS.

Terri will look for the old pictures of the MDU and get copies to Carlton.

John Hart Scholarship: Reminder that we still need to collect items for the gift baskets to raffle off. If we do not raise any money we will not be able to do the scholarships next year. We are supposed to be doing Octoberfest in October in Sturbridge.

Radio Communications: Need to be tested by all of the towns and the hospital. The radio committee will look into this and we will see if it can be included into our October drill.

New Business:

CERT First Aid/CPR: Classes are currently scheduled for 8/13 & 9/10, if any CERT member wants to attend please notify their CERT coordinator and cc me (Terri).

Charlton Old Home Day: Monday September 5, any help from members or CERT will be greatly appreciated.

National Grid: They are planning a drill for 2017 perhaps this can be tied into our debris management.

Motion to adjourn by the body, 2nd.
Meeting adjourned at 09:27

Next Meeting, Tuesday, September 13, 2016
Webster Fire Department
