Treasurers Report: Accepted

Old Business:

HMEP Grant: Looking to update all six communities emergency hazmat response plan. Everything will be undated including phone call lists.

Operation CERT Scrub – Saturday’s drill went well, large response from partnering communities. MDU Hoses will be replaced. CERT had a great idea to have their members clean the MDU tents for each of their own communities. CMDART put on a great demonstration and we are waiting on the AAR from the facilitator. CMDART also has a report on the drill and they will send to the committee. Hot wash we had a lot of good ideas giving a good perspective of the event.

Octoberfest – Still trying to get a table for Sturbridge event.

New Business:

WMD Training: Carl will be offering a training (2-hours) to any interested members. Harrington will do the printing of the power points. This training will be offered after January 1, 2017.

Motion to adjourn by the body.
