Presentation:

American Red Cross - Christopher Rae

Red Cross is working with a collaborative to start working through the communities to identify shelter locations as well as supplies. Tantasqua is listed as the state approved regional shelter in our area.

Old Business:

- HMEP drill – Funds were approved by the state and Terri is working on getting them ordered. All supplies will be stored at the Southbridge location.
- Elections – Please forward all nominees to Matt before our next meeting on 12/8
- Radio Update – Postponed until December meeting

New Business

- Website Design: to stay with our current web master it would be a total cost of \$620.00 for two years. Our current web master is looking to stay back as she feels that we need to do more with the website, and she does not have the experience to do what needs to be done. Motion made to approve the domains for one year at a cost of less than \$100.00 Matt will work with Lisa and do the research to find us a new web master. We will discuss again at our December meeting.

Next Meeting: December 8, 2020
